Ford Transit Lighting Package

Whelen has engineered an extensive range of specialized products designed to fully customize your 2015-2024 Ford Transit. With high-intensity Super-LED® lighthoods and model-specific housings, you'll command attention from every angle—front, rear, and sides—in any scenario. Tailored specifically for the Ford Transit Medium or High Roof, these products guarantee a seamless fit, ensuring maximum safety and visibility when it matters most.

Preconfigured Vehicle Lighting Packages

Includes:

- 2 Red grille lights with flange
- 2 Red fender lights
- 4 upper side combination lighthouse mounts, each with 1 scene light and 1 Red warning light
- 2 upper rear housings, each with 1 Red and 1 Amber warning light, and 1 load light
- All housings are White except for the grille housing which is Black. If all black housings are desired, replace "W" in model with "B" for black.

TP00W	No Inner Edge®, for Honeycomb Grille
TP02W	IX52STK (Inner Edge for Use with Console/Shelf Option), for Use with Honeycomb Grille
TP04W	IX55STK (Inner Edge for Use without Console/Shelf Option), for Use with Honeycomb Grille

Customized Vehicle Lighting Packages

- Transit Worksheet can be found in the DAM or on WechHome and is required with purchase

Includes:

- 2 grille flanges
- 2 fender light housings
- 4 upper side combination lighthouse mounts, each with 1 scene light and 1 warning light
- 2 upper rear housings, each with 2 warning lights and 1 load light
- All housings are White except for the grille housing which is Black. If all black housings are desired, replace "W" in model with "B" for black.

†† NCNR Special order, check availability, non-cancelable, non-returnable

LIGHTING

Inner Edge® XLP Series

The extra low-profile Inner Edge XLP mounts to the front visor of vehicles and has a smaller footprint than the Inner Edge FST™. The Inner Edge XLP Series is available with WeCanX® or low current technology.

T-Series™

T-Series lightheads feature Linear Super-LED® technology with a sleek, low-profile design, and a depth of only 1.5". T-Series lightheads are available in SOLO™ models.

Perimeter Enhancement Light

Whelen's Perimeter Enhancement Light delivers downward projected, high-intensity ground lighting to illuminate work areas. Its multi-purpose design can be utilized in a variety of applications.

SIRENS

Howler™

Howler provides deep tones to penetrate other vehicles, alerting drivers and pedestrians of your approach. Works with any standard 100-watt siren. Includes mounting bracket.

Models

HWLUNI	Siren Amplifier with One Speaker and Universal Mounting Kit

Upper Side Adapter Flange Kit

Add unobstructed warning and illumination to the upper sides of your Ford Transit for 360° of vital coverage. Designed for use with M9 Series lightheads (purchased separately), this setup allows for complete vehicle customization. Housings come standard in Chrome but are also available in Black and can be painted to match Transit color.

M9 Series Models

High Roof	
M9HTH5FC	†† Front Driver and Passenger Side
M9HTH5RC	†† Rear Driver and Passenger Side
Medium Roof	
M9HTM5FC	†† Front Driver and Passenger Side
M9HTM5RC	†† Rear Driver and Passenger Side

Light Pods

High-intensity, Super-LED® light pods assure better visibility, adding another level of warning and illumination to your Ford Transit. A durable Black ABS housing fits snug to front or rear roof and holds multiple M6, or 700 Series lightheads, purchased separately for full customization. ABS housings can be painted to match Transit color.

7PT8R	†† Rear Light Pod for Six 700 Series Lightheads for the 2018-2024 Ford Transit Medium and High Roof Models, Lightheads Purchased Separately, Freight Surcharge May Apply**
