

# M6 and 600 EZ Scene Light™

NEW PRODUCT • MARKET ADVISORY

MA:0052 • 09/2023

Put the light where you need it most with the M6 and 600 EZ Scene Lights! The **M6 EZ Scene Light** features expanded zone efficiency, enhanced optics, and increased functionality to provide a powerful scene lighting solution for every situation. Select from multiple turn-on styles and low-power settings for more efficient lighting output and performance. M Series™ lightheads feature a unique lens shape and patented Linear-LED® reflector assembly to maximize light dispersion for unmatched high-intensity illumination with low current consumption. The **600 EZ Scene Light** provides optimal versatility and performance. Featuring high-intensity white illumination with expanded options and functionality, these adaptable lightheads supply powerful scene lighting for a wide range of situations. Installation is easy and multiple vehicle application options are available ensuring seamless integration with your fleet.
