

Colored Tops for Edge® 9X Lightbars

PRODUCT UPDATE • MARKET ADVISORY

MA:0097 • 10/2024

Introducing **colored tops** for **Edge® 9X lightbars**, offering more customization and enhanced aesthetics. Available in Amber, Blue, or Red, colored tops improve aerial recognition, making it easier for helicopters and aircraft to identify law enforcement vehicles and communicate effectively with ground units.

Upgrade the standard Black top to a colored polycarbonate top that matches your lightbar's LED color for a seamless and polished appearance. Colored tops are available in a variety of configurations and in all lightbar lengths for both Short (9XS) and Tall (9XT) models.

Upgrade your fleet today with colored tops for Edge 9X lightbars, now buildable in WeCad™. Contact your Whelen sales representative for more information.
